

KATRINA FOLEY

SUPERVISOR, SECOND DISTRICT

333 W. Santa Ana Blvd., Santa Ana, CA 92701 Phone: 714.834.3220

Supervisor's Message:

Dear Neighbor,

Our focus continues to revolve around COVID-19 and all the impacts it has placed on individuals, families, businesses and our overall community. This week we launched daily press briefings with our Health Care Agency, local hospitals, EMS Medical Director, and local doctors to share valuable information about COVID-19 and the highly contagious Delta variant, as well as vaccine safety. Our intent is to ensure that families and business owners have the most accurate and up to date information to make safe decisions. The latest stats show that unvaccinated residents account for 90% of hospitalizations. Fully vaccinated residents account for only 7.4 cases per 100,000. Although our hospitalizations and ICU cases remained flat, our positivity rates doubled from yesterday which may mean many more hospitalizations next week. Most importantly, the medical professionals all expressed concern about the Delta variant's impact on sickness in children. We currently only have 10 children at CHOC with 5 in ICU, but all are very very sick and the long haul implications are still unknown. We will continue to monitor. You can follow the case updates here (<https://www.ochealthinfo.com/>). The news is reporting that a booster vaccine shot will be available to immune compromised individuals soon. Also, pregnant women are encouraged to get vaccinated to avoid pregnancy complications and other health related issues. Watch my briefing with Hoag Hospital's Dr. Martin Mills, Director of Maternal-Fetal Medicine Service to learn more about vaccine safety and Covid risk for pregnant and breastfeeding moms. ([LINK TO HOAG](#))

Mid-week, the Second District team and I met with city mayors and managers within the Second District. Our office led the launch of the Orange County Procurement Alliance that will allow the county and cities to partner on service contracts. This has been implemented in other states and counties delivering cost savings within a short time frame. We look forward to working with the County procurement office and our District 2 Cities to pull our collective buying power. We're stronger together.

This week's Board of Supervisor meeting delivered procedure changes, property tax credits for owners in Irvine Coast and Newport Ridge, mental health services for children, and more. As you know, I try to update our constituents during the board meetings and ask questions of staff based on inquiries to our office. It's been my practice nearly the entirety of my time in public service. I will continue to do so transparency and accountability remains a top priority for my office. ([VOICE OF OC ARTICLE](#))

This week I also shared updates with the Rossmoor Community Services Division about our work to address rotating street sweeping, parking solutions, and reducing ticketing as well as signage issues. I enjoyed the great reception from the Rossmoor community at their meeting and left with an action item to clean up the trash collecting on the 405/605 interchange where construction is a trash trap.

Finally, I ended my week updating the Corona del Mar Chamber of Commerce about the Airport Fly Friendly program we are working, hosted a town hall regarding redistricting which you can watch here ([Link to Town Hall Video](#)), helped a struggling resident who lost the car he is living in and all of his personal belongings, met with doctors to discuss how they can help with our Covid recovery, and residents under the flight path who pour hours of volunteer time into tracking noise. So many in our community willing to serve and help others. We are lucky to live in District 2 in Orange County. I'm honored to represent you. Please let us know how we can help.

Katrina

KATRINA FOLEY
SUPERVISOR, SECOND DISTRICT

DISTRICT 2 COMMUNITY UPDATES & PROGRAMS

Calvin Alvarez
Constituent Services Manager
(Buena Park, Fountain Valley,
La Palma, Los Alamitos) &
Animal Services

"This week I have been glued to my desk working on behalf of all of the citizens and communities of the Second District and I'm pleased to report that we've made a lot of progress on these matters.

We assisted Second District residents with a wide range of issues including housing and CalOptima. We even collaborated with our state legislators to assist our neighbors with EDD claims.

A subject that I'm passionate about, as well as my colleagues are animals. Unfortunately, we have received concerns regarding dog biting incidents. We are working with the Animal Care Agency to investigate the situation.

The week ended by attending the ribbon cutting of a new business in Los Alamitos, Roadrunner! They are located at 10680 Los Alamitos Blvd., Los Alamitos, CA. A special thanks to Toni from the Los Alamitos Area Chamber of Commerce for always sharing grand openings with our office."

“Hello District 2! As Supervisor Foley shared during her daily COVID-19 Press Conference, “Choosing not to get vaccinated is choosing to get COVID.” One of Supervisor Foley’s priorities is moving towards a resolution to the COVID-19 pandemic. One of the major keys to winning this war against COVID-19 and improving public health is through vaccine distribution. As such, we are hosting and promoting numerous mobile vaccine pods across the district. As the more contagious delta variant rages on, it is imperative that if you are not currently vaccinated that you do so immediately.

Another priority Supervisor Foley’s is Transparency. We take every opportunity to update city councils and chambers of commerce on the work that our office is doing. This week, we provided an update to the Corona del Mar Chamber of Commerce.

Finally, I’d like to share a personal story. Supervisor Foley and I visited the Back to School Night event put on by OC Public Libraries at Donald Dungan Library in Costa Mesa! This was a great event which led to me signing up for a library card. You can see below how happy I was to be there. I encourage all of the Second District to get a library card from OC Public Libraries.

Please reach out to me about any events that are happening in Huntington Beach, Newport Beach or Seal beach. I would love to support. I can be reached at Avery.Counts@OCGov.com.”

Avery Counts
Constituents Services Manager
(Huntington Beach, Newport Beach, Seal Beach)

This week we all pitched in and helped out Representative Chavez who went to visit family. We provided services for residents in his region including Rossmoor and Stanton on issues ranging from housing and homelessness. We also connected Stanton residents with proper rehabilitative health facilities. We dealt with public works matters in Rossmoor as it relates to parking signs. We are very proud to have helped on this matter which has been an issue for a long time. We managed to work with CalTrans to get a pothole filled at the corner of Harbor Blvd. & Newport Blvd. in Costa Mesa. For any matters related to Costa Mesa, Cypress, Huntington Beach, Stanton & Rossmoor please give us a call at (714) 834-3220 or e-mail Manuel Chavez at Manuel.Chavez@OCGov.com.

gratefully accepted!*

TRANSPARENCY IN GOVERNANCE

Board of Supervisors 8/10/21 Meeting Recap

Promoting Public Health: The Board approved a new program provides an opportunity for non profit organizations to earn a coordination fee of \$20 for every individual who receives either their first or second dose of the COVID-19 vaccine (with a preferred minimum of 50 individuals registered per event). The program's \$4.5 million in funding is made available from the State of California's Government Operations Agency. If you know of an organization who would like to host a clinic, please reach out to our office.

Giving the Taxpayers Back Their Money: In 1986, the County of Orange Board of Supervisors established "Community Facilities Districts" in several portions of the County that raised funds to finance the development of fire stations, sheriff substations, roadway improvements, bridges, libraries, parks, and other public facilities. These districts were mostly in then unincorporated southern Orange County, but three of the districts were located in Newport Beach. **These Districts have surplus funds that I voted to give back to the taxpayers.** This affects Newport Ridge and Irvine Coast property owners.

Promoting Senior Transportation Services: I supported an extension of an agreement with the Orange County Transportation Authority to provide non-emergency transportation solutions for older adults in Orange County. This program thousands of seniors with no other reasonable means of transportation for medical appointments such as dialysis, chemotherapy, dentistry, prescription pick-ups, lab tests and x-rays. This program is expected to provide over 164,000 one way rides this fiscal year. I'm proud to support continuing these critical services.

Endorsing State Legislation to Prevent Elder Abuse: I voted for the county to endorse AB 636: Financial Abuse of Elder or Dependent Adults. This legislation will allow Adult Protective Services to share investigative information with local code enforcement agencies. There has been an rise in abuse cases involving substandard Independent Living Facilities, so I'm pleased to support this important legislation to ensure that our most vulnerable seniors are protected from abuse. I hope that the legislature passes this important legislation.

Supporting Electoral Integrity in Orange County: There are few issues more important than fair and free elections. In Orange County we are lucky to have excellent leadership by Neal Kelley, who is the Registrar of Voters for Orange County. I was pleased to support three contract approvals for Kelley's office to acquire the software and equipment that is necessary to effectively conduct elections in Orange County.

Appointee: Sue Dvorak

Commission, Committee, or Board: Orange County Airport Commission

Date: August 4th, 2021

Update:

Due to aging infrastructure at JWA, the Airport Commission voted to recommend approval of the Maintenance Task Facilitation and Support contracts with JOA Group and Woolpert, Inc. which will help JWA's Maintenance Division plan for maintenance, repair or replacement of assets.

We also voted to recommend approval to extend the contract with LAZ Parking California, LLC for Shuttle Maintenance Repair and Support Services which provides on-call and emergency transportation through December 31, 2021.

Fun Fact: Shuttles at JWA are expected to be all electric within the next ten years, and a majority of other ground support equipment at the airport will be electric by 2026 supporting clean air objectives.

Appointee: Michael Wellborn

Commission, Committee, or Board: OC Parks Commission Meeting

Date: August 5, 2021

Update:

The OC Parks Commission voted to approve a recommendation to the Board of Supervisors to approve the Crawford Canyon Park project which will fill the need for a local community park at the corner of Newport Blvd and Crawford Canyon Rd.

Additionally, we recommended an approval of a drainage easement and agreement with the City of Newport Beach on a County-owned parcel. This agreement will clarify that the city will take responsibility and liability for the drainage facility.

Finally, we concurred with the County Chief Real Estate Officer to purchase a trail easement along the Serrano Creek Trail necessitated by the creek's natural alignment.

Appointee: Armando De La Libertad

Commission, Committee, or Board: Orange County Historical Commission

Date: August 3, 2021

Update:

The OC Historical Commission met on August 3, 2021 at the Irvine Ranch Historic Park. At the gathering, new District 2 Commissioner Armando De La Libertad introduced himself and provided an overview of his interests in historic preservation. The Commission received an update on the progress of the Old County Courthouse's repairs, discussed the status of 56 historical site plaques spanning the county, and approved a collaboration initiative with Preserve OC to make progress on an interactive mapping project. For more information on the Commission, please visit <https://www.ocparks.com/about-us/oc-historical-commission>.

SUSTAINABILITY & TRANSPORTATION

Adam Ereth
Sustainability Policy Advisor

“Do you like breathing clean air? – so do we! Southern California has been long-known to have some of the most pressing air quality issues in the country, especially with the formation of ground-level ozone (O3). As our region adopts more sustainable forms of transportation and cleaner technologies, we can all do a little more to reach the goal of making a cleaner and clearer future for our people. CleanAirDay.org has a list of tips that can help make every day an Earth Day for improving Air Quality. Take a look at their page and see where you can take a stand. <https://www.cleanairday.org/clean-air-tips-for-earth-day/>”

TAKE THE CLEAN AIR PLEDGE

SWITCH IT OUT

- Change your car cabin air filter
- Replace gas-powered yard tools with electric– or hand-powered tools
- Switch to using natural all-purpose cleaner only
- Make all online purchases in one order each week
- Buy produce locally
- Eat no meat for at least one day
- Install an air quality monitor at your home
- Choose a greener energy rate
- Install solar panels at your

PLANT SOMETHING

- Plant a home garden or plot in a community garden
- Plant a tree
- Plant an indoor plant in your office and/or home

REDUCE VEHICLE EMISSIONS

Leave your car at home by:

- Telecommuting/attending meetings remotely
- Walk, bike or scoot to the store or transit stop
- Carpooling/vanpooling
- Bringing a lunch to work or walking to lunch
- Don't idle your engine
- Switch from an old gas-guzzler car to a hybrid or zero-emission vehicle

WORKFORCE & ECONOMIC DEVELOPMENT

Workforce, Economic Development and Business Recovery Initiatives	
INITIATIVES	UPDATES
<p>Initiative 1 - Economic Development: Partner with the <u>LA 2028 Olympic Committee</u> to bring events, tourism and local business opportunities to the region.</p>	<p>Second District team met with LA 2028 Olympic Committee members to identify potential locations for Olympic related activities in 2028. #OCSecondDistrict2028</p>
<p>Initiative 2 - Business Recovery: Partner with the County on <u>contracting opportunities</u> for local and small business owners as well as enhancing the contracting process for the Cities within the Second District</p>	<p>Second District took lead on partnering with the County and Second District Cities to launch the County Procurement Alliance Initiative. This allows City Managers, City Procurement Managers and County Procurement personnel to work in tandem on securing service contracts that aid both the county and the cities. We're stronger together! #OCSecondDistrictCollectiveBuyingPower</p>
	<p>The Second District is also hosting a Virtual Small Business Roundtable on Thursday, August 26, 2021 at 1:00pm. This session will focus on how to do business with the County. It will include resources available, how to find contracting opportunities, how to register on the portal and typical bidding protocol. The discussion will be lead by Maria Pirona, County Procurement Officer and Joseph Sly, County Public Works Procurement Manager. #District2SmallBusinessRoundtable</p>
	<p>The County of Orange holds a Vendor Information Day on the first Thursday of each month (except holidays). These sessions are to provide vendors with information on how to do business with the County and to answer questions regarding the County of Orange purchasing process. Time: 9:00 A.M. TO 11:00 A.M. County Procurement Office CPO Training Room 1300 South Grand Avenue Building A, 2nd Floor Santa Ana, A 92705 To attend, RSVP at http://ob.ocgov.com/business/vid</p>
<p>Initiative 3 - Workforce Development and Business Recovery: Partner with Chambers of Commerce, Entrepreneurial-Focused Organizations and Career Development <u>programs</u> that deliver contracting opportunities and career placement.</p>	<p>Our office is working with Lendistry to provide outreach to Orange County Second District businesses in need of relief. Lendistry is the administrator of the California Relief Grant. The program has received an additional \$1.5B to help more small businesses. There are 3 remaining rounds of funding for - applicants already in the system, new cultural arts applicants and new small business applicants. Stay tuned for more information. #OCBusinessesNeedHelp</p>
	<p>OneLA Comes to Orange County Second District! The Second District Team has partnered with the Los Angeles Area Region Chamber (which includes Orange County) to offer Second District Business Owners with the opportunity to participate in the OneLA Program. Last year's OneLA program participants were awarded over \$10M in contracting opportunities within the state. This is a great opportunity to participate in a program that has delivered demonstrable success. Our office is encouraging 10 local, small and/or diverse business in Orange County District 2 to apply for the program. Phase 1 is free to the first 10 Orange County businesses in District 2 that apply and are accepted into the program. Currently there are 6 spaces available. #OneLAComes2OrangeCounty</p>
<p>Initiative 4 - Business Recovery: Partner state-wide with organizations that provide business owners with financial resources and tools to pivot post-pandemic.</p>	<p>At the August 24th Orange County Board of Supervisors meeting, Supervisor Foley will be advocating on behalf of OC small business owners impacted by the Covid-19 pandemic. She will be seeking approval on an allocation up to \$25M to waive/credit all permit fees issued by environmental health services to small businesses in Orange County. #OCBusinessesNeedHelp</p>

OneLA comes to Orange County!

We are encouraging 10 small businesses in Orange County Second District to apply for the program. Phase I is **FREE** for the first 10 small businesses in OC second district to sign up (click on the **PROGRAM APPLICATION** below to register).

- When submitting application, under "How did you hear about this opportunity", type the following: **Supervisor Foley 2nd District Business**

LOOKING TO WIN CONTRACTS?

PET OF THE WEEK

Meet this week's Pet of the Week, Jessie!

Jessie is a sweet pitbull-mix that never turns down a tasty treat! She may be timid at first, but she soon warms up and generally wants to be your BFF in no time. Jessie is simple to leash and loves traveling for walks with staff and volunteers, although she can sometimes pull when something interesting catches her eye. Jessie is about 6 years old, weighs 73 pounds, and is looking for a new home (preferably one with older or no kids and no other pets yet as she needs a little time to build confidence).

If you want to make Jessie a part of your family, please contact 714-935-6848 to set up an appointment! For more info, visit <https://www.ocpetinfo.com>
