Supervisor's Message

Dear Neighbor:

Congratulations to the cities of Cypress, Fountain Valley, La Palma, and Seal Beach in District 2 where more than 80% of the residents are vaccinated with at least one shot! By the end of the month these communities will reach herd immunity. But we don't live on islands and people travel to and from all cities in Orange County. That's why it's critical that all eligible residents get vaccinated in Orange County. It's proven to be our best defense against COVID-19 and our only way out of the pandemic and back to living our best lives. See below replay of the medical doctor briefings I did this week to continue to educate and update the community about healthy options.

Our OC Health Officer released this [statement](#) today with recommendations, mask mandates for schools, and updates on our COVID cases and hospitalizations. Our COVID-19 briefings will continue next week. Follow us on @supervisorfoley to watch and learn the latest. In addition to prioritizing pandemic recovery and response, our office continues to prioritize addressing homelessness and housing. This week I met with many of our county staff and participated in a community chat with the [United Way](#) about the HomeKey Initiative that offers more than \$3billion in funding to covert motels and other underutilized buildings into permanent supportive housing. If you know of potential sites, please email our office because our county team is here to help and take advantage of this unique moment in time when so much funding is available from the state. We also toured the Yale Shelter in Santa Ana which houses and serves 425 individuals experiencing homelessness. The vegetable gardens, outdoor dining, computer lab and clean dorm style living arrangements provide dignity and offer programs to help residents transition to more stable and secure lives. The need is so great and our office will continue to work on the root causes of homelessness. Our survey is underway and inventory of services is underway. We look forward to presenting at year's end. Today we met with Housing and Community Development to discuss progress on our affordable housing plans. In the next 24 months, we expect to complete construction on 2,200 of our 2,700 units goal.

As you know, protecting our environment from noise and pollution continues to take precedence as a priority in our office. This week we met with airport operators as well as community members to continue to fine tune our Fly Friendly program for John Wayne Airport. Most agree that targeting speed is a direct way to reduce noise and we will continue to pull the levers to include a speed limit in the departure checklist. We also are working with county staff on other options that may reduce pollution and noise over our neighborhoods. Stay tuned as we finalize the research and ideas over the fall.

Our small business recovery and economic development initiatives continue with our Business Roundtable Series. We hosted another informative workshop with our County procurement team to explain the steps to bid for county contracts. You can watch [here](#).

Today I had briefings with our OC Animal Care, OC Parks, and OC Libraries. Our amazing county employees who provide recreational and community services are knowledgeable, caring and kind. I encourage you to follow these departments on their social media to find out about programming, events, projects and services. They offer so much. I'm looking forward to the ribbon cutting of the new and improved Cypress library early next year and the Los Alamitos/Rossmoor library next fall. We requested auto-fill water bottle stations in all facilities. Our OC Animal Care shelter is saving 96.5% of all dogs! And the drive through pet food pantry distributed nearly 42,000 lbs of pet food to assist more than 3,800 pets. Community workshops begin early next year for Talbert Regional Park and the new 2 new park rangers start soon.

As you head into the weekend, please do continue to wear your masks in crowds and indoors, enjoy the outdoors, and try to show patience to wait staff working in restaurants because staffing shortages are real.

Remember, our office is here to serve and we want to help. Let us know how we are doing and what topics you want to see in the weekly newsletter.

Be well,

“Coming to a meeting and being passionate about an issue you care about — that’s America. I embrace that every day. But coming to a meeting and telling people they better not stand between you and their gun ... or coming in accusing people of being communist traitors — that’s a dog whistle for people to hurt us.”

KATRINA FOLEY Orange County supervisor

Visit the COVID-19 Information Center for vaccine resources.

latimes Between anti-lockdown rallies, pushback against mask mandates and a restaurant catering to the [#unvaccinated](#), [#OrangeCounty](#) has seized the spotlight as a nexus of aggressive [#COVID_19](#) denialism — even if the protesters are a small minority of residents.

DISTRICT 2 COMMUNITY UPDATES & PROGRAMS

Calvin Alvarez
Constituent Services Manager
Buena Park, Fountain Valley, La
Palma, Los Alamitos & Animal
Services

"We continue to work hard for the residents and businesses in District 2. I started the week off by attending the Armed Military Affairs Committee meeting at the Joint Forces Training Base in Los Alamitos. We all congratulated Seal Beach resident Rachel Fattal, who is a member of the USA Women's Water Polo team that won gold medals at the 2016 Rio and 2020 Tokyo Olympic Games. She brought them with her as she spoke about her own Olympic experience. Rachel passed her medals around for the audience while she spoke. Our office is so proud of her and the other District 2 Olympians who represented us so well at this year's games! Stay tuned for our upcoming Olympian parade on September 12 and plan to join us.

At the same meeting, Brigadier General Michael J. Leeney, Deputy Commanding General for Operations, 40th Infantry Division in Los Alamitos, California, provided an informative update on the status of JFTB. He provided us with information on infrastructure improvements such as road and runway upgrades, as well as the revitalization of older buildings on base. He also provided information about a sustainability project where they are developing two large solar farms that will provide power to the base and surrounding areas in the event of a natural disaster or other tragedies. The most exciting development is that the National Guard is in discussions with the Orange County Fire Authority to house their aerial operations from the base. This includes their aerial planes and helicopters, which are designed to aid in the fight against wildfires."

"Hello District 2! This week was busy working towards one of Supervisor Foley's top priorities: getting folks vaccinated. I supported, visited and worked at 7 different vaccine clinics throughout the cities that I represent in my territory with our pop up tent and community resources table. We work tirelessly to get the word out about the importance of getting fully vaccinated. Lately, I've noticed that more and more people showing up to receive their vaccines and it brings a big smile to my face because that means that people are taking our advice seriously. It seems that folks are really starting to understand that the vaccines are safe and effective at limiting the spread of COVID-19, just as the FDA says. Supervisor Foley has been doing daily briefings to get the word out with some of the most competent and experienced medical professionals in the County."

Avery Counts
Constituent Services Manager
Huntington Beach, Newport
Beach, Seal Beach

"Hello everyone, I hope you enjoyed the week. I had a blast this week attending events in our district. On Saturday, I joined Supervisor Foley at the Ribbon Cutting for the Electric Bike Company. We loved seeing electric bikes being built and spending time with the Costa Mesa Council Members. Later in the evening I joined Supervisor Foley and Costa Mesa's Mayor Stephens at the unveiling of the #freebritney Mural at Donkey D's Queer Dive Bar. The mural is a beautiful addition to the mural collection on 19th street and further highlights Costa Mesa's reputation as the City of the Arts.

On Tuesday, I joined the Cypress School Board at their unveiling and ribbon cutting for their new administration building. Thank you to Board President Bonnie Peat for the warm welcome, and thank you to the school board staff for the tour of the facility. I can hardly wait to see the space being utilized by all the Cypress residents. Furthermore, the Cypress City Council has appointed Scott Minikus to fill the vacancy left by Mayor Pro-tem Stacy Berry. I look forward to working with Council Member Minikus in the future. On Thursday, Supervisor Foley and I visited Green Cheek Beer Company in Costa Mesa with other legislative offices for an update on legislation impacting breweries, the need for outdoor space, and just a lot of great information about the industry in general."

Manuel Chavez
Constituent Services Manager
Costa Mesa, Cypress,
Huntington Beach (Oak View
Neighborhood), Stanton &
Rossmoor

TRANSPARENCY IN GOVERNANCE

Board of Supervisors 8/24/21 Meeting Recap

Supporting the Resettlement of Refugees from Afghanistan: I, along with my colleagues voted to adopt a resolution that calls on the Federal government to allow for the resettlement more refugees in the United States. The events in Afghanistan have been harrowing, especially for women and girls. For the last 20 years, they have lived with some rights to education, work, and freedom of movement. Some of these young women have never lived under the Taliban and now face a future that is too dreadful to even contemplate. Many of Afghans put themselves and their families at risk to assist the United States working as interpreters, local guides, and other forms of support for our fighting men and women. As a County we call on our Federal government to allow these political refugees to be able to come to the United States. It is the least we can do after this war.

Supporting our Disabled Veterans: At my direction, Senate Bill 498 by our State Senator Tom Umberg on the agenda and was officially endorsed by the County of Orange. This bill will allow for more disabled veterans to qualify for free legal services by reducing income requirements that have precluded them from accessing services in California due to high cost of living. I want to thank Antoinette Balta, a member of my District 2 Veterans Working Group, and the Executive Director & Co-Founder, Veterans Legal Institute, the sponsor of this Bill for bringing this item to my office.

Improving the Digital Divide for Seniors: I was proud to support the OC Senior Citizen Advisory Council's proposal to allocate American Rescue Plan (ARPA) funds to bridge the digital divide among OC seniors. The funds will primarily be used to purchase 2,200 iPads with data plans. In addition, funds will be used to purchase subscriptions to online training and class to support our senior community. COVID-19 has demonstrated how important it is for our seniors to be connected. I look forward to working with the OC Senior Citizen Advisory Council to advance proposals that help address the technological needs of our seniors. There are two vacancies on the Senior Advisory Council, so please email Hunter if you are interested in serving.

Moving towards cleaner skies around our Airport I made a motion to approve an airline lease with Air Canada for direct flights from Orange County to Vancouver. Air Canada has committed bringing in the Max 8 jet, which is known as a quieter and less-polluting aircraft. This is welcome news and will advance our efforts to implement a Fly Friendly program.

Transparency at the Orange County Power Authority: We voted to approve expanded conflict of interest rules for the Orange County Power Authority (OCPW) staff and consultants after I raised concerns about a potential lack of transparency. The OCPW was formed to offer clean energy alternatives for cities that choose to join, but has face scrutiny from many clean energy advocates. I hope this vote will be a first step in the right direction for the agency.

Commissioner Update

Appointee: Alexander Gonzalez

Commission, Committee, or Board: Orange County Veterans Advisory Committee

Date: August 11th, 2021

Update:

The committee met to discuss the resettlement of Afghan and Iraqi interpreters in Orange County. Since the meeting, the situation in Afghanistan has evolved to consider alternative actions to properly respond to the magnitude of recent events in the country.

Additionally, the committee is monitoring the progress on the resolutions supporting the Orange County Veterans Cemetery that are being brought forward for consideration by various cities and encourages local jurisdictions to support this crucial action for our country's veterans.

Orange County Board of Supervisors, Second District – Constituent Services Manager

Job Description:

The Office of Supervisor Katrina Foley (District 2) seeks an experienced Constituent Services Manager for her office. The successful candidate will be responsible for assisting with bridging the relationship between the cities, school and special districts, as well as state and federal delegation offices, chambers of commerce and community organizations, and the Supervisor's office. The ideal candidate is a self-starter with excellent oral communication and relationship building skills. The individual should have established relationships in the communities they serve as well as an understanding and passion for women policy issues and senior citizen advocacy. The successful candidate must have the ability to deliver error-free, high quality work under tight deadlines.

DAY-TO-DAY RESPONSIBILITIES INCLUDE:

- Working with cities, businesses, and residents to help address concerns and opportunities
- Staffing the Supervisor at events and setting up community pop-ups, tables, tents to represent the Second District effectively
- Providing updates at city council meetings, chamber meetings, school and special district meetings, and internal staff meetings regarding progress on the Supervisor's 6 key priorities; and conveying the needs of the District back to the community.
- Preparing briefing memos, scheduling request forms, error-free certificates and completing special projects as assigned
- Maintaining team tracking spreadsheets and fielding constituent calls in the office
- Assisting with developing content for the newsletter, social media, and website
- Determining creative ways to expand the Supervisor's coverage and services to the Second District

QUALIFICATIONS

- Orange County ties, specifically in Huntington Beach and Newport Beach is a requirement
- BA in a related field (e.g., Political Science, Public Policy, English, Communications, or a related field), or equivalent work experience
- Must have at least three to five years of experience working in politics and three to five years of community outreach experience
- Should have a background in managing and organizing volunteers and resolving constituent concerns in a timely manner.
- Should have a demonstrated track record of building successful relationships, partnerships, and community engagement
- Must have experience with and a passion for women's policy issues and senior citizen advocacy

Qualified candidates should submit a cover letter, resume, and professional references **to Debbie Lumpkin at Debbie.Lumpkin@ocgov.com** with the title "Constituent Services Manager" in the subject line. No calls or walk-ins.

APPLY TODAY FOR AN INTERNSHIP WITH THE OFFICE OF SUPERVISOR KATRINA FOLEY

Interns have a unique opportunity to witness County government in action and make a difference!

Internships are currently open to college students and recent graduates, and applicants with ties to the Second District are given preference.

To apply for an internship with our office, please email:

1. **A cover letter**
2. **Resume**
3. **Two references**

To: Katrina.Foley@ocgov.com with the subject line: INTERNSHIP: DESIRED START PERIOD (e.g. INTERNSHIP: FALL 2021).

Qualified candidates should be detail-orientated and organized, able to multitask, and possess strong writing skills. A background or interest in government, community engagement and policy is preferred.

Applications are accepted on a rolling basis. If you have any additional questions, please email Katrina.Foley@ocgov.com or call (714) 834-3220.

KATRINA FOLEY
SUPERVISOR, SECOND DISTRICT

**APPLY
NOW!**

PET OF THE WEEK

Meet this week's Pet of the Week, Jim!

This week's Pet of the Week is 11-year-old Misha!

Misha is a Pomeranian mix who came to OC Animal Care as a sweet senior. When you get to know her, you'll find that she walks well on a leash and appreciates a nice pet. As a member of our doggie playgroup here at the shelter, Misha has been exposed to other small breed dogs and may do well living with another senior canine companion. An adult-only home where Misha can nap on a lap or eat soft, tasty snacks would be ideal for her. In order to stay healthy in her golden years Misha will need regular medical checkups due to some missing teeth and age-related eye changes. In order to schedule an adoption appointment, please call

ORANGE COUNTY CLERK-RECORDER DEPARTMENT
