SUPERVISOR'S MESSAGE

Dear Neighbor,

I hope the updates my office provides are helpful and informative to the public. My team and I work hard to find various ways to connect with the constituents of Orange County Second District. We are in the community, on social media and deliver a weekly newsletter. We'd love your feedback on how we are doing in reaching you. Also, what information do you need or have questions about. Your input is important and we want to serve you in the most convenient way. Please feel free to send your input directly to our office at Katrina.Foley@ocgov.com. As you know, we are still working on various elements of the oil spill and have added a few additional communication tools to help, hence why we are seeking your input.

For the Oil Spill we are currently working on a few key elements to help Orange County advance past this event. My office is meeting with the business and tourist industry to stay abreast of impacts. Our hope is to work with various stakeholders to find immediate solutions to bridge the health of businesses and keep our streets filled with tourist wanting to explore our amazing county. We are also working closely with other board offices affected by this event – from Orange County to San Diego. Today I met with the responsible party to request bridge funding for those businesses still shut down such as local residents in the fishing industry given that testing is still underway as to impacts to seafood. Given this event, this is the time to double down on our sustainability efforts and we are working with our local community partners from Congress to State Senate and Assembly to local Mayors, as well as our consultant, Ascent to determine the best next steps to advance protection of our environment, coastline as well as physical and economic health of our communities.

Other highlights of the week include continued discussions about poorly operated sober living homes and detox centers in residential neighborhoods, diaper drives and nutrition assistance for our most vulnerable, supporting our local small businesses, and our arts venues, and recognizing in memoriam the fallen Orange County Fire & Rescue members.

The Seal Beach Car Show and Newport Beach Jazz Festival this past weekend reminded me that things are on the up turn! Our Covid numbers are diminishing and our vaccinations increasing countywide. As we head into this Fall season and start preparing for the holidays, I'm hopeful that this will be a most joyous season with plenty of gatherings of friends, family, and community to celebrate the season.

I look forward to seeing you this weekend at a pumpkin patch, scarecrow festival or at one of our many Halloween events. Please say hello.

Kind Regards,

A handwritten signature in blue ink that reads "Katrina".

OC OIL SPILL UPDATE

Fast Facts:

- Approximately 423,500 pounds of oily sand and debris has been removed and 5,544 gallons of oil has been recovered.
- No free-floating oil has been observed on the water since Oct. 5th
- All public beaches in Orange County are open
- The public health assessment unit of the Unified Command continues to conduct water and sediment sampling with no abnormal results
- More than 1,300 personnel were deployed in the field today
- 116 local volunteers have been trained and assisted in shoreline cleanup efforts since October 5th
- On-water oil-recovery operations have ceased
- Overflight monitoring has been suspended pending any major changes in the response
- The Unified Command has made the decision to use smaller, more environmentally friendly drones to conduct assessment
- Tar ball collection on Orange County beaches has decreased, and recovered tar balls are increasingly smaller in size and more dispersed
- To date, 32 birds have been captured, 24 have been cleaned and 8 have been rehabilitated and released
- Boat decontamination sites in Huntington Beach and Newport Beach continue to operate, and a third boat decontamination site in Long Beach has been established and is operational.
- Air monitoring and sampling will cease, as air samples over multiple days show all spill-related readings are within common background levels and below health-based thresholds
- Significantly protected sensitive areas where it was deployed early in the response, is now being removed

Today, our Orange County Health Care Agency encouraged residents to continue to get vaccinated and get their flu shots as we enter the fall season ([click here to see the announcement](#)) .

“As COVID-19 cases continue to decline in Orange County, the OC Health Care Agency (HCA) continues to urge individuals who are not yet vaccinated against both COVID-19 and influenza (flu) to get vaccinated.

The Health Care Agency will be offering the flu vaccine at three locations between October 18-November 5 to adults and children age 3 and over. Those locations include:

- Orange Coast College – Costa Mesa
- County of Orange Social Services Agency’s Santa Ana Regional Office – Santa Ana
- St. Anthony Mary Claret Church – Anaheim

*The COVID-19 vaccine will also be available at these sites for eligible individuals. According to the Centers for Disease Control and Prevention (CDC) and American Academy of Pediatrics, **flu vaccines can be safely co-administered with COVID-19 vaccines for both eligible children and adults.** Eligible residents can register for an appointment at any of the three clinics listed above by visiting www.Othena.com.”*

Over the last few weeks, hospitalizations and the testing positive rate have continued a downward trend. Unfortunately, as of today there are 39 cases currently in the ICU and 5 deaths. This pandemic is not over and our office will continue our efforts to vaccinate the community.

TRANSPARENCY IN GOVERNANCE

Update from Public Safety Policy Advisor Dave Snowden, former Police Chief of Costa Mesa & Beverly Hills:

I recently attended the 33rd annual Medal of Valor Ceremony to recognize and celebrate the outstanding accomplishments made by the men and women from the Orange County Sheriff's Department. I have attended this event for over 20 years and it is always inspiring. The full recording of the event can be viewed here (<https://www.ocsheriff.gov/about-ocsheriff/medal-valor>).

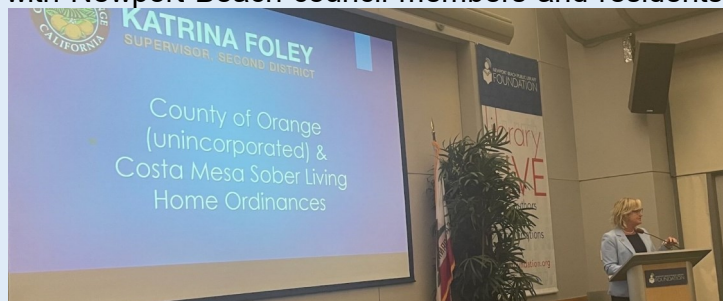

Addressing the Sober Living Home Crisis:

Residents in many neighborhoods throughout my district are frustrated by the proliferation of unscrupulous sober living home operators whose only motivation is money. More importantly, we know that these irresponsible operators pose a threat to people in recovery that truly need help. As government officials, we have a responsibility to do everything in our power to prevent tragic situations—like the recent death of a 23 year old in the Santa Ana Heights neighborhood of Newport Beach—from happening. I have a long record of advocating and making change on this issue and I will continue to do so.

On Monday, I participated in a community meeting with Newport Beach council members and residents to discuss potential solutions to address the sober living home crisis. We were also joined by Assemblywoman Cottie Petrie-Norris who is working tirelessly to pass state legislation to help locals to control the over concentration in neighborhoods and prevent predatory practices. When I was Mayor of Costa Mesa, we implemented reasonable public safety rules to maintain the quality of life for our neighborhoods.

In response to the ordinance, the power sober living home industry sued Costa Mesa, but the courts have rejected every challenge. My office is providing technical assistance to other cities—including Newport Beach—to share the successful provisions of the Costa Mesa and County of Orange ordinances. If you or your neighbors have concerns in your community, please contact alex.rounaghi@ocgov.com in my office.

TRANSPARENCY IN GOVERNANCE

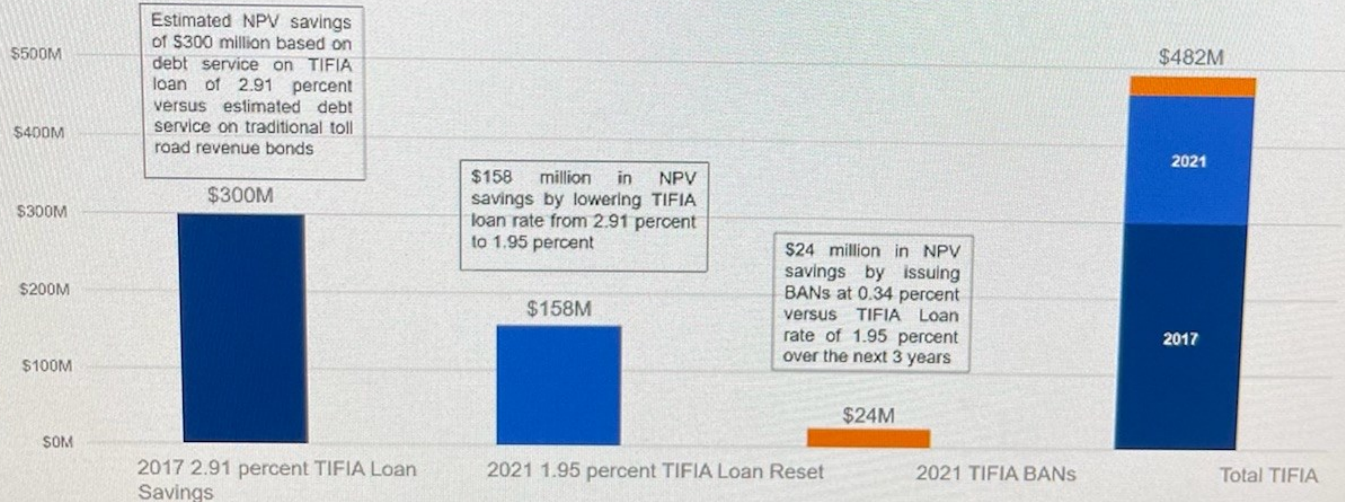

OCTA Update:

On Wednesday I joined the Supervisor for the OCTA Finance and Administration Committee meeting. The committee unanimously voted to approve a 3 year-term renewal for Microsoft Enterprise Agreement. This approval will save the taxpayers money by maintaining the current communications systems instead of investing into a new communications system.

The Finance and Administration Committee is also committed to Debt Service Savings. In 2017 OCTA secured a Transportation Infrastructure Finance and Innovation Act ("TIFIA") Loan of \$628.9M at a 2.91% interest rate for an estimated \$300M in savings. This year OCTA refinanced the 2017 TIFIA loan, dropping the rate to 1.95% resulting in an additional \$158M in savings. Furthermore, OCTA can wait up to three years to withdraw from the loan, so bonds will be issued at a 0.34% APR rate for an additional \$24M in savings. The total savings to the taxpayers is \$482M dollars! As a member, Supervisor Foley will continue to work to find savings for tax payers.

Commissioner Update

Appointee: Michael Wellborn—Orange County Parks Commission

Date: October 7, 2021

Update:

OC Parks Director Tom Starnes hosted the meeting and introduced recently promoted staff members to the Commission.

The new concessionaire for the snack bar lease at Salt Creek Beach Park came before the commission for approval. Of the four proposals reviewed by County Real Estate, the recommended entity Laguna Beach Golf and Bungalow Village (aka The Ranch). After numerous questions on the proposed improvements, fiscal structure of the proposed lease and the operational aspects, the Commission voted unanimously to recommend the proposed concessionaire lease to the Board of Supervisors.

Appointee: Daniel Morgan—Orange County Planning Commission

Date: October 13, 2021

Update:

There were two items on the agenda:

1. The Commission approved the certification of an additional Acoustical Consultant, Stephen Martin, PE - Veneklasen Associates, Inc. The certification is valid for 5 years.
2. Approval of Planning Commission meeting schedule for next year.

We also discussed the Housing Element which is available for public review. Public comment period is September 17- October 15.

Supervisors vote to give \$3 million to address food insecurity in Orange County

“The food banks of Orange County said they needed money to keep local hunger at bay, and the Board of Supervisors agreed to help them get it.

On Tuesday, Sept. 28, the five-member board voted unanimously to award \$3 million in federal coronavirus aid to help meet pandemic-related food insecurity in Orange County. The supervisors also voted to spend another \$2 million to create a local food distribution system in case of a disaster or other disruptive emergency.”

2021 REDISTRICTING

www.ocgov.com/redistricting

County of Orange Redistricting Public Submission Period Closes October 15 at 11:59 p.m. PT

Interested parties can draw and submit their [County of Orange Supervisorial District Maps](#) from October 1 – October 15 at 11:59 p.m. PT

The County of Orange launched its [2021 Esri Redistricting Website](#) on October 1 and it will close at 11:59 p.m. PT on October 15. Members of the public may draw and submit County of Orange Supervisorial District Maps either using the Esri redistricting software or through an Excel format.

The [County's Redistricting Website](#) also contains information on [how to draw Supervisorial District maps](#), and includes an instructions sheet and video. In addition there is a [Redistricting Kit](#) that provides more information on the redistricting process.

The Esri redistricting software can be accessed by the public from any computer with internet access. In addition, members of the public may go to their local OC Public Library to access the web based Esri software to draw and submit their maps. A list of the OC Public Library locations and hours may be found by [clicking here](#).

Redistricting is the regular process of adjusting the lines of voting districts, including Orange County's Supervisorial Districts, in accordance with population shifts. The redistricting process is done every 10 years for local, state and federal governmental bodies by using updated Census data. The 2021 County of Orange redistricting process will use data from the 2020 Census. Local jurisdictions, including the County of Orange, must complete the redistricting process by no later than December 15, 2021, to allow for the new supervisorial districts to be ready for use in the June 7, 2022 primary election.

Information on upcoming redistricting activities will be updated on the County's website at www.ocgov.com/redistricting. In addition, the County has created a dedicated email address and phone line for members of the public to submit questions or comments regarding the County's redistricting process. The email address is redistricting@ocgov.com and the phone number is (714) 834-6000.

Are you interested in public service? Do you have a friend or neighbor that is looking to get involved in their community?

The Costa Mesa Sanitary District's Citizen Advisory Committee (CAC) is looking for **1** dynamic person to join the Committee and learn more about trash, recycling, and sewers! For more information, please visit our [CAC webpage](http://www.cmsdca.gov).

DISTRICT 2 COMMUNITY UPDATES

Manuel Chavez
Constituent Services Manager
Costa Mesa, Cypress,
Huntington Beach (Oak View
Neighborhood), Stanton &
Rossmore

Hello Second District,

On Tuesday, I joined The Orange County Historical Commission in honoring retiring Commissioner “Margrit” Kendricks for more than 27 years of service. Tonight, the Supervisor and I are attending the Share Our Selves Soiree on the Shore in Huntington Beach. Share Our Selves was instrumental in assisting with our office’s first COVID-19 vaccine clinic at Save Our Youth. We are excited to support this special event. You can also find Supervisor Foley and I at two Costa Mesa Events this Saturday. The first is a Ribbon Cutting for the Rocket Science Fitness. The Ribbon Cutting will be at 11:30am at 2675 Irvine Ave, Suite 106 Costa Mesa, 92627. The second event is The City of Costa Mesa’s Scarecrow Festival. The event is from 11am-3pm

and will feature trick-or-treat stations, pumpkin decorating and a kids costume contest! We hope to see you there.

DISTRICT 2 COMMUNITY UPDATES

As usual, this week was jam-packed with activities! I started my week with Staffing Supervisor Foley at the 2021 Newport Beach Jazz Festival, where we were able to present certificates to the incredible staff who hosted the event, as well as listen to world-class artists who performed for thousands of people to enjoy. The event was fantastic and I'm thrilled to see our community come together to celebrate music! I accompanied the Supervisor to a press conference with Assembly Speaker Anthony Rendon, who announced that Assemblywoman Cottie Petrie Norris will chair the newly formed Assembly Select Committee on the Orange County Oil Spill for the 2021-2022 Legislative Session.

I finished the week by attending two community events in Los Alamitos. The first event was a ribbon cutting for the opening of a new business. The second event was a memorial for United States Army Sergeant Thomas R. MacPherson, who tragically passed away while fighting in the Afghanistan war 9 years ago. His sacrifice will never be forgotten and his legacy will carry on forever commemorated thanks to a new freeway interchange sign dedicated in his honor near the 605 freeway and Katella Avenue in Orange County.

OC Parks, California Department of Fish and Wildlife and Angler Chronicles host the much anticipated annual Kids' Fishing Derby at the North Lake at Mile Square Regional Park.

The lake will be stocked with more than 1,000 pounds of trout or catfish for the derby. Kids 6 to 15 years old can fish for free and attempt to win prizes and trophies for different age groups. The kid with the overall winning catch will get his or her name inscribed on the legendary Mile Square Fishing Derby Trophy.

Fishing clinics will be held on-site and a limited quantity of fishing rods will be available for loan.

Children must be accompanied by an adult. Rain will not cancel the event. Food will be available for purchase.

Registration is required at the OC Parks check-in table on the day of the event. Space is limited and early arrival is suggested.

PET OF THE WEEK

Meet Radar!

Radar was surrendered to OC Animal Care in May. This cool, calm, and collected 8-year-old is in search of a new place to retire and enjoy all the perks that life has to offer. Although he likes to play and still has plenty of pep in his step, Radar also loves to relax! This laid-back Shepherd mix adores his daily walks here at the shelter and has already picked up good leash manners while in our care. Radar would be best suited to live with adults or a home with older children who can continue to work with him on his basic training. Before he arrived at the shelter, Radar spent much of his time alone in his backyard and may not be as socialized with other animals. For that reason, we recommend that Radar be the only pet in your family. Are you able to give this handsome fella a second shot at a great life in a new forever home? If so, please call (714) 935-6848 or visit <https://ocpetinfo.com> to set up an adoption meeting with him!

Community Reminder: Safety Standards for the Holiday Decorations in Public Areas

OC Public Works

Permits Needed for Holiday Displays over Public Areas in Unincorporated Orange County

? WHAT: Permit Needs

With public safety as the top priority, residents in unincorporated areas of Orange County are reminded that they must obtain an "encroachment" permit if they plan to place holiday displays, including strings of lights, over public rights-of-way such as public streets and sidewalks.

Please note that electrical wiring, including extension cords, are not allowed across the surface of public sidewalks or roads and are not permitted under an encroachment permit.

What you will need for an encroachment permit:

1. **Encroachment Permit Application:** To be completed by the home owner or Home Owner Association (HOA) as the applicant (if HOA, an authorized officer of the HOA Board must sign the application on behalf of the Board.)
2. **Site Plan:** Submit a diagram showing the location of light strands, decorations and other elements being placed in/over County right-of-way area. List addresses of all properties proposed for the specific display.
3. **Letter of Authorization:** To be completed and notarized by the person who will be representing the HOA and signing for the actual permit. **Note:** This is not required on single permits for individual properties where the homeowner is both the applicant and is signing for the permit.
4. **Credit Card Authorization:** The combined permit fees are \$355 for individual properties or single street (\$325 *Time and Materials deposit plus \$30 issuance fee*) or \$1,030 for multiple streets within HOA (\$1,000 *Time and Materials deposit plus \$30 issuance fee*). An additional deposit of \$1,000 is required and is refundable upon satisfactory closure of the permit.
5. **Insurance Information:** Proof of adequate liability insurance required with encroachment permit applications.
6. **Contractor Guidelines:** Outlines requirements and limitations for placing holiday decorations in the County right-of-way area. It is important that participants follow these guidelines to maintain safety.

Questions about the permit process? Contact us at:

Phone: (714) 667-8888
E-mail: encroachment@ocpw.ocgov.com
Website: <https://ocds.ocpublicworks.com/>

✓ WHY: Enhancing Safety

The permit establishes guidelines to ensure public safety and code compliance for homeowner associations (HOAs) and individuals interested in installing holiday displays over public roads, sidewalks, parkways and public light poles. The purpose of the required permit is to ensure that displays over public rights-of-way are safely positioned, provide adequate clearance for emergency and service vehicles, and are installed with proper electrical connections. Obtaining an encroachment permit will ensure decorations are displayed in a safe and secure manner for an environment that protects families, property, vehicles and service providers.

A permit is not required for displays on private property.

📍 HOW: Providing You Options

Any individual can apply for an encroachment permit. Apply for a permit, track permit status or access a variety of other County services at any time:

myOCeServices
myOCeServices.ocgov.com

To help minimize permit fees and meet insurance requirements, two other options for obtaining permits may be of interest:

- a. HOAs may apply for one permit for the entire community, or;
- b. Residents may hire a contractor to obtain one permit on behalf of multiple residents and to also perform the installation of decorations
