(Santa Ana, CA) – The U.S. Department of Housing and Urban Development (HUD) awarded the County of Orange \$13,765,384 in homeless assistance funding as part of the Continuum of Care Super Notice of Funding Availability (SuperNOFA) grant competition. The SuperNOFA is an annual process and the grant award to the County of Orange, with OC Community Services (OCCS) as the lead agency, is a direct result of the County's partnership with cities and homeless service organizations to address the issue of homelessness in Orange County. This collaborative effort is part of a regional plan aimed at breaking the cycle of homelessness. According to the County's 2007 needs assessment survey, Orange County residents experience approximately 35,000 episodes of homelessness throughout the course of one year.

"Orange County is being recognized by the federal government for our regional approach to help move families and individuals out of homelessness and into self-sufficiency," stated Patricia C. Bates, Chair of the County Board of Supervisors. "In this present time of budgetary constraints, the nearly \$14 million will ensure that we continue to care for our residents most in need."

"I applaud the political will and commitment of Chairwoman Bates and Supervisor Moorlach dedicated to Orange County's efforts to reduce and end homelessness," indicated Philip Mangano, Executive Director of the U.S. Interagency Council on Homelessness. "In receiving a record \$14.6 million in HUD targeted homeless assistance resources and an additional \$10.3 million to prevent homelessness from the President's Economic Recovery Program, Orange County is receiving a tangible expression of partnership to end the long misery of homelessness for its poorest neighbors."

OC Community Services, OC Partnership, and the Continuum of Care Leadership Cabinet coordinated the 2008 application process. The grant award will provide transitional shelter and supportive services for families and individuals as well as permanent supportive housing for the disabled and special needs homeless populations. The County of Orange has received \$110.9 million since 1996 in the SuperNOFA competition.

2008 Award recipients include:

"This award is a direct result of the hard work and dedication of the County's partnership with cities, non-profit organizations, and other important stakeholders," stated Chair Bates. "These thirty eight programs will provide families and individuals with the housing and support they need to achieve independent living."

The awards will be formally acknowledged on March 5, 2009 at 10:00 am at the Orange County Rescue Mission's Village of Hope located at One Hope Drive, Tustin. Phillip Mangano, Executive Director of the U.S. Interagency Council on Homelessness will be in attendance along with Chair Patricia C. Bates and Supervisor John M. W. Moorlach from the County Board of Supervisors.

OC Community Services houses the County's Homeless Prevention Division. OC Community Services also administers funds for participating cities and community-based organizations for homeless services. For more information about the County's efforts to address homelessness, please contact Karen Roper at (714) 567-7418 or (714) 423-8315.
