### Why do we need your support?

We are a *not-for-profit* children's center sponsored by the Silverado Modjeska Recreation and Parks District. We serve families in and around Silverado and Modjeska Canyon as well as the surrounding areas of Trabuco, Portola Hills, Irvine, Mission Viejo, Orange and Lake Forest. Our Chili Cook-Off fundraiser is to help us "Create a Legacy" for our community by working together with families to rebuild and repair our local community center backyard, and to help us purchase a new safer playground for the Silverado Children's Center.
