OC Animal Care's Angels For Animals Adoption Event a Great Success

(Orange, CA) OC Animal Care hosted its first "Angels For Animals, Forever Friends for Free" adoption event on Saturday, March 28, 2009, which was sponsored by the Angels Baseball Foundation. 127 dogs, cats, and rabbits from the shelter found new forever homes, making this one of the most successful adoption events in OC Animal Care's history!

Hundreds of visitors flooded into OC Animal Care at 10:00 AM Saturday morning to find many wonderful animals available for adoption. One OC Animal Care team member commented, "I've never seen so many people in our shelter looking for a new pet, this is exciting to see for our animals!" Visitors were also met by OC Animal Care volunteers that were handing out responsible pet ownership information and give-a-ways.

OC Animal Care also provided a veterinary team member to answer general pet health questions, a craft activity booth for younger visitors, and a BBQ lunch hosted by Explorer Post 538. "This was a great opportunity to give back to the citizens of Orange County and the animals we care for on a daily basis," said Ryan Drabek, Public Information Officer for OC Animal Care. "We especially want to thank the Angels Baseball Foundation for their generosity to our animals and their partnership in this highly successful event! Without their efforts, this event would not have been possible."

OC Animal Care will be hosting its annual Pet Fair adoption event, which includes pet care vendors, exhibits, and demonstrations, on June 27, 2009.

Last year over 10,900 dogs, cats, rabbits and other loveable animals were adopted from OC Animal Care. For further information about this event, contact Ryan Drabek at 714-935-6427.
