

How to reduce death & injuries due to DUI in Orange County

Orange County 2013 DUI Summit

WHY A DUI SUMMIT?

The 2013 DUI Summit is being hosted by Orange County Supervisor Todd Spitzer, Orange County DUI Task Force, Automobile Club of Southern California, Concordia University Center for Public Policy, MADD, and Orange County Health Care Agency to raise awareness of the Orange County DUI problem to city leaders, and stakeholders. This event will provide tools, resources and technical assistance to help implement policy and city change.

WHO SHOULD ATTEND?

This conference is intended for city decision makers including: Mayors, City Council Members, Chiefs of Police, City Managers, Legal and Judicial System professionals and Community Leaders.

WHY YOU SHOULD ATTEND?

- Obtain Office of Traffic Safety (OTS) data for Orange County cities and County of Orange
- Learn how cities and Orange County will be monitored through a community indicator report
- Obtain resources & solutions on how to reduce DUI

WHAT TOPICS WILL BE DISCUSSED?

- Social Host Ordinance
- Orange County DUI Data
- DUI Solutions (What works and what doesn't)
- Responsible Beverage Service
- Checkpoints & Saturation Patrols
- DUI Media Campaigns
- Law Enforcement Strategies to Reduce Drinking & Driving

SPEAKERS INCLUDE:

- Office of Traffic Safety
- Police Chiefs
- NHTSA
- DUI Field Experts and City Officials
- District Attorney's Office
