

Erosion Control Workshop

Date: Saturday, November 15, 2014

Time: 10 am – 12 pm

Location: Black Star Canyon Rd at intersection with Silverado Canyon Rd

What Information Will Be Provided?

The workshop will offer a hands-on demonstration by County of Orange personnel to assist Canyon residents with proper installation of sandbags and rice bales.

County personnel will be available to answer questions and provide literature about helpful guidelines for flood, debris and erosion control guidelines for precautionary measures to help protect your property during heavy rainfall.
