Come join OC Parks for the official opening of Irvine Ranch Historic Park! Six historic structures were recently fully restored. Learn about the historic significance of these buildings and what a day at the ranch would have been like 100 years ago.

The family-friendly day will feature crafts, live music, historic interpretive stations, a petting zoo, photo booth and park tours. Festivities will begin with a ribbon-cutting ceremony. This is a free event. Food trucks will be on-site.

Parking will be available next door at:
St. Thomas More Catholic Parish
51 Market Place, Irvine
