Spayed Female
Pug Mix
8 Years Old

This week's featured Pet of the Week is "Hannah" an eight year old, brown and black, spayed female, Pug Mix, ID# A1076942. "Hannah" is a sweetheart who would make a wonderful companion for any loving family. Even though "Hannah" is a curvy gal, she absolutely loves to play and go on walks. We recommend a special diet to help control her weight. "Hannah" is ready to go home today!
