WORKSHOPS

Orientation- Inquire about job search and community resources, programs, and tools to launch and manage your job search.

CALJOBS for Beginners- Register, create and store your resume, and browse job listings. If you find suitable openings, you can make available a system generated resume for on-line viewing by prospective employers.

Creating and Learning How to Use Your E-Mail- Brief overview on how to create your own email and get new users started.

Financial Management—an overview of budgeting for transition.

Interview Overview—an introduction to interviewing skills and techniques. We will cover types of interviews, the most difficult questions, how to answer them and how to negotiate salary and benefits. This session will include practice interviews.

Online Job Search Basics- An overview on how to navigate job search website, www.monster.com, www.indeed.com, and www.mySkillsmyFuture.org.

Networking—an overview of techniques that help you get your resume into the hands of a hiring manager.

Resume Overview— Learn how to write, update, and refine your resume. We will cover types of resumes, summary statements, and accomplishment statements.

Managing Career Transitions Issues- How to deal with the signs of stress and positive techniques to manage and eliminate the effects of stress.

Transferable Skills— Learn how to identify the skills that apply to the current job market, so that you can expand your job search and match your skills to in-demand jobs.

Veterans Workshop- Veterans will be informed of service and resource providers, resume writing, interview and job search techniques, and social networking.
