

E-Waste Recycling @ Brea Library Saturday, January 14, 2012 10:00 am -3:00 pm

Did you get a new Computer, Television, or Cell Phone for the holidays and aren't sure what to do with your old one? Don't let them end up polluting our water and soil — Go Green and Recycle them!

Bring on by your old:

Computers	Printers	Ink & Toner Cartridges
Laptops	Monitors	Scanners
Televisions	VCRs	E-Readers
Cell Phones	DVD Players	MP3 Players & iPods

And any other outdated electronic device!

AllGreenRecycling will be here to pick them up. Everything is shredded and processed down to its basic commodities in North America. Nothing is sent to landfills or overseas. Be good to your Earth!
