

# **Eagle Scout service project**

## **Donation request form**

### **Dylan Krong**

#### **Project description**

Friends, family, and fellow Boy Scouts - I am going to begin construction on my Eagle project ASAP. I am short on both time and money and would love donations of either one! I will be building a memorial trail marker/kiosk for one James Wernke who was killed in a severe rainstorm in Fullerton a few years ago. My project will cost around \$1,200.00 and require about 200 man hours to get it put together

#### **Donations would be greatly appreciated**

Please make checks payable to Dylan Krong
