**Boxer, Spayed Female
5 Year Old**

Hope arrived at OC Animal Care after being hit by a car which caused a broken leg and muscle tearing. Due to the severity of her injury, our shelter vets determined that the best course of action for her would be to amputate her front leg and allow her to heal. She is healed up now and gets along great on three legs! The volunteers and staff absolutely love her. We can't wait to see her find a forever home where she can be loved and cared for forever. Consider adopting her today!
