

Hope for the Holidays

Many hardworking Orange County residents will be struggling to make ends meet this holiday season. Community Action Partnership of Orange County is dedicated to making sure that children, families, and seniors impacted by poverty are not left behind by providing them with crucial necessities such as food and clothing.

The Asian Women Entrepreneurs, the OC Black Chamber, the OC Presidents Council, the Asian Business Association of OC, the National LBWA of Orange County and the NAAAP of Southern California invite you to a Hope for the Holidays Business Mixer!

We hope community chambers and business groups will join us to provide food to needy families during the holiday.
