Airborn by Kenneth Oppel

Matt Cruse is a cabin boy on the *Aurora*, a huge airship that sails hundreds of feet above the ocean. It is the life Matt's always wanted. One night he meets a dying balloonist who speaks of beautiful creatures drifting through the skies. It is only after Matt meets the balloonist's granddaughter that he realizes that the man's ravings may, in fact, have been true, and that the creatures are completely real and utterly mysterious.

Author Kenneth Oppel creates an imagined world in which the air is populated by transcontinental voyagers, pirates, and beings never before dreamed of by the humans who sail the skies.
