Introduced by Senator Correa
(Coauthor: Assembly Member Mansoor)

February 20, 2014

An act to amend Section 83123.5 of the Government Code, relating to the Political Reform Act of 1974.

LEGISLATIVE COUNSEL'S DIGEST

SB 1226, as amended, Correa. Political Reform Act of 1974: local campaign finance reform.

Existing law, until January 1, 2018, authorizes the Fair Political Practices Commission, upon mutual agreement between the Commission and the Board of Supervisors of the County of San Bernardino, to have primary responsibility for the impartial, effective administration, implementation, and enforcement of a local campaign finance reform ordinance of the County of San Bernardino. Existing law authorizes the Commission to investigate possible violations of the local county campaign finance reform ordinance and bring administrative actions against persons who violate the ordinance, as specified. Existing law requires the Board of Supervisors of the County of San Bernardino to consult with the Commission prior to adopting and amending any local campaign finance reform ordinance that is subsequently enforced by the Commission. Existing law specifies that the Board of Supervisors of the County of San Bernardino and the Commission may enter into any agreements necessary and appropriate for the operation of these

provisions, including agreements for reimbursement of state costs with county funds, as specified. Existing law provides that the Board of Supervisors of the County of San Bernardino or the Commission may, at any time, by ordinance or resolution, terminate any agreement for the Commission to administer, implement, or enforce the local campaign finance reform ordinance or any provision thereof. Existing law requires the Commission to report to the Legislature with specified information on or before January 1, 2017, if the Commission enters into an agreement with the Board of Supervisors of the County of San Bernardino.

This bill would extend these provisions to any participating city or county, as specified. The bill would modify these provisions by requiring the Commission to be the civil prosecutor responsible for the civil enforcement of the local campaign finance ordinance, as specified, and authorizing the Commission to provide advice and guidance regarding the ordinance and to bring civil actions to enforce the civil penalties and remedies of the ordinance. The bill would extend these provisions indefinitely by repealing the *until* January 1, 2018, repeal date 2020.

The Political Reform Act of 1974, an initiative measure, provides that the Legislature may amend the act to further the act's purposes upon a $\frac{2}{3}$ vote of each house and compliance with specified procedural requirements.

This bill would declare that it furthers the purposes of the act.

Vote: $\frac{2}{3}$. Appropriation: no. Fiscal committee: yes.

State-mandated local program: no.
