|--|-----------------------------|--|
| Final Design and Pre-Construction | Late 2014 - Mid 2017 | Coordinate with local cities Engage/Inform stakeholders Traffic Management Plan |
| Construction | 2018 | Construction Outreach |

Construction Outreach

(connecting with crews, communities and businesses)

OC Bridges

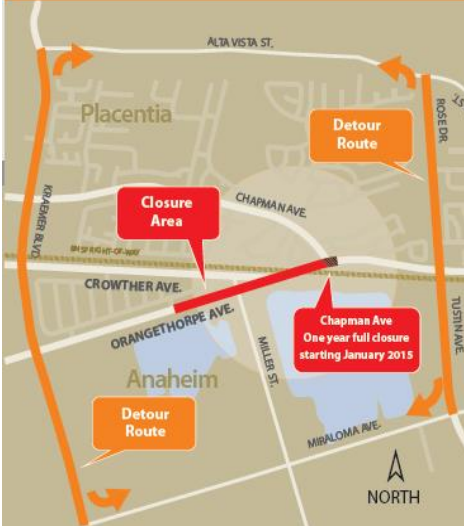

ORANGETHORPE RESTAGING

OCTA previously planned for the bridge to be built while Orangethorpe remained open via a bypass road with one lane in both directions. However, complex utility relocations have affected the construction schedule. In order for the project to remain on schedule for completion by mid-2016, Orangethorpe will be fully closed while the bridge is under construction. Starting in January 2015, access to Chapman Ave will be closed for approximately one year.

DETOUR ROUTE

Drivers can use either Kraemer Boulevard to the west or Tustin Avenue/Rose Drive to the east, with Alta Vista to the north and Miraloma to the south, as detour routes. Please see detour map.

I-5 South (Pico to San Juan Creek)

San Juan Creek Road to PCH

March 2014 to 2016

PCH to Vista Hermosa

Sept. 2014 to 2016

Vista Hermosa to Avenida Pico
