These two sweet boys came to our shelter as underage kittens in August. They spent time in a loving foster home getting big and healthy and are now ready to find their own home. Chip and Bugles are staff and volunteer favorites because of their sweet and playful nature. These two boys would be fine in separate homes and do not need to be adopted together. Their adoption fee has been reduced. Please ask about visiting with one or both of them today and help them find the forever homes they deserve.
