

Rocky ID#: A1379276 Tabby DSH Neutered Male 3 Years

My name is Rocky! I'm an exotic black striped tabby who is a total love bug. I'm happiest when I'm cuddled in your lap, but I also like to play with kitty toys. Feathers and strings are my favorites. I'm perfect with the litter box, and since I'm already neutered, I can leave with you today. I have an adoption discount, too! Please help me find my forever family today!
