Hi my name is Cody (A1232208) and I am a volunteer favorite! I'm recognized for my very mellow and friendly personality. I don't seem to react to negatively to other dogs. I absolutely loved to be brushed and I'm the biggest cuddle bug! I am a great dog to relax with and be your best buddy. I'm looking for the right home and family to chill out with and enjoy life. Help me find the forever home I deserve today!
