Meet Nugentl

Algent D# 1330043 Tabby Domestic SH Male 1 Year Oh

Hi my name is Nugent! I am a very calm and quiet cat. I love it when you speak softly to me. I might seem shy at first but once I get to know you I'll never want to leave your side or lap! Like most Tabby boys I am very affectionate and loving and enjoy spending time with you. Please give me the second chance that I deserve today!
