

**Every 9 Days in the U.S.
a Child Dies from Heat Stroke in a Car!**

Kids Alone in Cars...a Recipe for Tragedy

3 LIFE-SAVING TIPS TO FOLLOW

NEVER LEAVE A CHILD ALONE IN A CAR...

even for a minute in any kind of weather, under any circumstance. It's the law — Kaitlyn's Law.

DECIDE WHO YOUR "CHOSEN CHILD CHECKER" IS...

to and from your destination so that no child is left behind.

ALWAYS LOCK YOUR CAR WHEN EXITING...

so a curious child can't enter it and become trapped or injured.

Help us keep kids safe.
