Hi my name's  Speckle (A1469480)! They tell me I'm sweet and have a loving purr-sonality! I love when you talk to me and I'm a great listener who won't tell any of your secrets. I enjoy being petted and getting lots of love and affection from you. I have great manners and I know I would make a great companion for anyone! I'm already spayed so I can go to my fur-ever home today. Please help me find the purrrr-fect family I can call my very own!
