Hi I'm beautiful Burke (A1468486)! I'm such a sweet girl and I just love to play! I would do really good at being an indoor and outdoor kitty because I love to explore my surroundings. I would love to have a kitty tree and toys to play with when I'm hanging out with you inside! They tell me I'm very affectionate and I have a great purrr-sonality! Won't you please help me find the fur-ever home and loving family I deserve?!
