Hi my name is Rizzo (A1476990)! I am a sweet and gentle girl. Getting love and rubs are two of my favorite things. I participate in play groups at the shelter and I do not like the rough and rowdy dogs, I'm much too quiet and shy so I do well with the dogs that are also gentle and a bit more dainty. I would most likely do best in a quiet home with no other dogs. I walk well on a leash and I love to chew on tennis balls. It's impawsible not love me, so help me find the home I deserve today!
