Sponsored by Orange County Animal Care  
Veterinary services provided by S.C.V.V.C.

**Orange County Animal Care**  
561 The City Drive South, Orange, CA 92868

## **Sunday, April 10, 2016**

**By Appointment Only**

All Spaying & Neutering Services are provided with  
Quality Care for a nominal co-pay of \$10

- ◆ Dog owners must reside in Cities within Orange County where Orange County Animal Care has jurisdiction for licensing
- ◆ No income eligibility requirements
- ◆ No limit on number of pets per household
- ◆ Dogs must be at least 4 lbs and 14 weeks of age
- ◆ Microchipping offered with spaying/neutering \$20
- ◆ Dogs scheduled for surgery must not have access to food or water past midnight the night before their surgery
- ◆ Dogs must be current on the following vaccinations: Rabies, DHPP & Bordetella
- ◆ If your dog needs any vaccines, it is strongly recommended that your dog be vaccinated at least 1 week prior to surgery. Our LOW-COST VACCINE CLINICS are held at OC Animal Care every month and at other locations - Anyone is welcome to attend any of our clinics.
