Hi I'm Bella (A1498189) and I'm a long term resident here at the shelter! Staff and volunteers can't figure out why because I'm a very sweet and lovable girl. I'm very smart and treat motivated; they're so yummy and I know how to sit, stay and lay down for them! I came into the shelter with facial wounds, but the amazing Vet Staff here has been taking care of me and it's looking so much better! They'll be happy to discuss the details with you and any further treatment I may need. I'm dog selective so I should be the only dog in the home or go to a dog experienced family that knows how to properly introduce me to other doggies. I love getting lots of affection, and back rubs from you are my favorite. I'm ready to find my fur-ever home and the unconditional love and happiness I deserve!
