BUILDING A SYSTEM OF CARE IN OC

Orange County is the third largest county in California, and sixth largest in the nation with a population of more than three million people. Despite our affluent reputation, we have residents who have needs you might not expect. Like many counties across the nation, we have people experiencing homelessness. The County of Orange is working diligently to provide funding and resources for this vulnerable population. Here is a look at what we've done in the last year.

SHELTER

The Board of Supervisors has committed more than **\$23.5 MILLION** to providing multiple shelter options that meet a variety of needs.

KRAEMER CENTER (North Anaheim)

County's first year-round emergency shelter and multi-service center with on-site programs. 100 beds in phase one opening Spring 2017, 100 additional beds in phase two anticipated in late 2018.

THE COURTYARD (Santa Ana Civic Center)

Day service center and low barrier, low threshold safe sleep shelter.

ARMORIES (Santa Ana and Fullerton)

Overnight cold-weather emergency shelter providing 400 beds from December to April.

PERMANENT SUPPORTIVE HOUSING

\$8 MILLION AVAILABLE

The Board approved issuance of the 2016 Permanent Supportive Housing Notice of Funding Availability to provide up to \$8 million for the acquisition, new construction and acquisition/rehabilitation of permanent supportive housing for Orange County's extremely low-income households that are homeless.

WHOLE PERSON CARE INITIATIVE

The Whole Person Care Initiative will target services to those that are experiencing homelessness and are high utilizers of emergency rooms.

RESTAURANT MEALS PROGRAM
