*I'm the purrr-fect  
lap kitty!*

Hi my name's Kirkland (A1501007)! The people here tell me I'm a very handsome guy, and I just love getting cuddles from you! I would be the purrr-fect lap kitty to watch your t.v. shows with! One of my favorite things is getting back scratches and head rubs from you. I'm a very affectionate kitty and I would love to have someone who will cuddle me all day long! Please help me find my fur-ever home right meow!

Can I be your new  
furry best friend?
