## CONSTRUCTION ALERT

## **Lambert Road Bikeway Project**

OC Public Works (OCPW) is installing new Class II bike lanes on both sides of Lambert Road from Sunflower Street to the entrance of Carbon Canyon Regional Park at Santa Fe Avenue.

ШНАТ:

OCPW will widen segments of the roadway shoulder along Lambert Road to accommodate the installation of the Class II bike lanes. The new bike lanes will be installed on both sides of the roadway. This will require single lane closures in the project area. Project work includes pavement grinding and overlay, removing and replacing existing asphalt berms and sidewalks, removing and reconfiguring conflicting pavement striping and markings, and soil remediation. A new bike rack, chain link fence, and gate will be installed.

ШНЕ Н:

Approximate Construction Duration: November — end of December, 2017 Single lane closures on Lambert Road will be in effect for approximately four weeks beginning November 1.

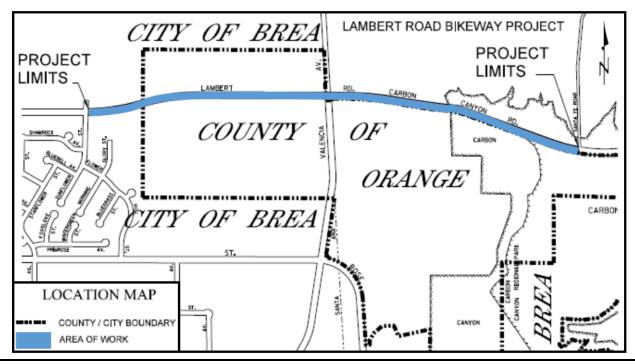

Westbound travel lane: November 1— mid-November

Eastbound travel lane: November 9— early December

Area residents and those who use Lambert Road should expect traffic delays.

**IIIHERE:** Lambert Road between Sunflower Street to the entrance of Carbon Canyon Regional Park at Santa Fe Avenue. See project map below.
