Hi my name's Barney! I'm a sweet, friendly guy who has a great personality! I enjoy going for walks and I have to say I walk great on the leash. I love getting lots of love and affection from you; back scratches are the best! I have some dental issues that will need extra care, but I have so much love left to give! I may be a little older, but I'm ready to settle down with my new family today. I'm just the happiest little dude you're ever going to meet! Will you please help me find my fur-ever home???
