

H1N1 INFORMATION

HEALTH CARE AGENCY • PUBLIC HEALTH SERVICES • HEALTH DISASTER MANAGEMENT

H1N1 Vaccination Clinics

Nasal spray or injectable H1N1 influenza vaccine will be available for the following Orange County residents:

- Any child 2 through 18 years of age, or
- Persons who live with or care for infants younger than 6 months of age, or
- Health care and emergency medical services personnel who have direct (physical) contact with patients (employment documentation required)

All those eligible to receive nasal spray vaccine will receive that in lieu of the injectable vaccine

Pregnant women should call the Health Care Agency Health Referral Line at (800) 564-8448 to schedule an appointment for a preservative-free (Thimerasol-free) H1N1 vaccination

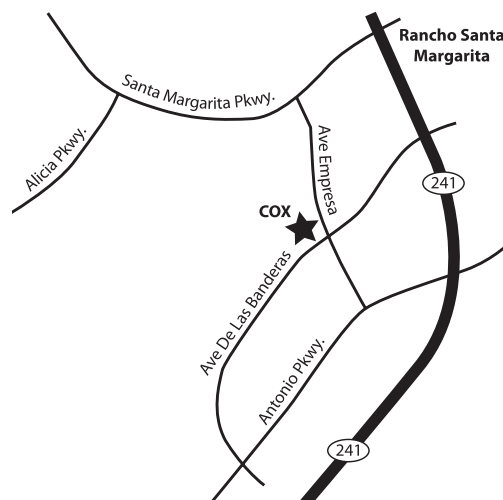

Saturday, November 7, 2009
10:00 AM to 2:00 PM
