Geotechnical Study

August 27 - 31, 2012

During the week of August 27 through August 31, 2012, geotechnical research will be performed in the Embarcadero Boat Storage and Launch Ramp Parking lots, the Dana Wharf area, Mariners Village Parking lot, and some of East Basin's Landside Parking lots. The work areas will be coned off prior to and during the study. The work will require borings into the ground at selected locations, and some sites will require up to 48 hours of closure.

This work is part of the planning and design process for the Harbor Revitalization Project. Questions concerning these activities can be directed to Mr. Rick Allen at (949) 923-3786.

On The Horizon:

Labor Day Weekend	September 1-3
Richard Henry Dana Regatta	September 6-9
Tall Ships Festival	September 7, 8 and 9
Doheny Days Festival	September 8 and 9
Underwater Cleanup	September 15

If you wish to unsubscribe from future mailings, please call OC Dana Point Harbor (949) 923-2236.
