## EXPERIENCE THE UNIQUE CHARITY AUCTION OF THE ELEPHANT PARADE® BE PART OF IT.

### THE AUCTION

Experience a unique charity auction in an exceptional ambience and with special guests and Indian-inspired fare. The centerpiece of the event is the auction of selected life-size baby elephants – with charity auctioneer Jim Nye — from the **Elephant Parade®: Welcome to America** art exhibition.

### INDIAN MELA

Enjoy the phenomenal ocean view and champagne during a ‘Goodbye to the Elephants’, the last time all the statues are together before they are escorted to their new homes. Follow the elephant trail inside to the ‘Indian Mela’ where the acclaimed chefs will surprise you with the very finest Asian delicacies, and our host and celebrity guests will educate you about the dramatic plight of the Asian elephant.

### CHARITY

We look forward to a very special afternoon, and hope you will contribute to the elephant conservation cause by supporting Think Elephants International, Inc. and The Asian Elephant Foundation. With the Elephant Parade®, these foundations draw worldwide attention to the endangered Asian elephant by working together to fund conservation and development programs aimed at improving the sustainability of human and animal habitat around the world.
