

Media Alert

- Who*** OC Dana Point Harbor Department
- What*** Maintenance Dredging – Information Meeting
- When*** 5:30 – 7 p.m., Wednesday, September 10, 2008
- Where*** OC Sailing and Events Center
Dana Cove Room
34451 Ensenada Place, Dana Point Harbor
- Why*** The **OC Dana Point Harbor Department** is hosting an information meeting to familiarize the harbor community with the routine maintenance dredging project and beach nourishment. Dredging will remove a build-up of sand and silt from both the East and West Basins, and along the Main Channel. Sand will be placed on Baby Beach and Capo Beach as part of the beach nourishment efforts. Work will begin in late September and last three to four months.
- For further information*** To learn more about the Maintenance Dredging Project, contact the OC Dana Point Harbor Department, at 949.923.2236 or check our website at www.DPHplan.com
