FOR IMMEDIATE RELEASE

Low-cost vaccination, microchip clinic March 13

The Mission Viejo Animal Services Center on Wednesday, March 13 will host a low-cost vaccination and microchip clinic for Mission Viejo, Laguna Niguel and Aliso Viejo pet owners only.

The clinic will take place from 6:30 p.m. to 8 p.m. at 28095 Hillcrest.

Dog vaccines include rabies \$8; DHPP \$21; Corona \$15; Bordetella \$20; K9 Influenza \$32; and Lyme \$32. Cat vaccines include rabies \$8; FVRCP \$22; and FeLv \$27. (All vaccinations are charged an additional \$2 medical disposal fee).

Pet owners can also have their animals licensed at the clinic. A license is required for all dogs starting at the age of 4 months.

Microchipping is available for \$20. The vaccine clinic will accept cash, check or Visa/MasterCard.

For more information, call 949-470-3045 or visit the City's website at www.cityofmissionviejo.org.
