FOR IMMEDIATE RELEASE

Timeless Melodies now set for Sunday, March 4

Make plans for the Timeless Melodies program featuring the fabulous songs of the 20th century on Sunday, March 4.

The Timeless Melodies program, originally scheduled for Feb. 25, featuring music historian Larry Maurer is at 7 p.m. in the Mission Viejo Council Chamber at City Hall, 200 Civic Center.

The vivid program will highlight Rodgers & Hammerstein as you've never heard them before. America's greatest Broadway musical composer, Richard Rodgers, teamed with the nation's greatest lyricist, Oscar Hammerstein, to produce a series of musicals that continue to last - "Oklahoma!"; "Carousel"; "South Pacific"; and "The King and I." They came together during World War II when America's future was in peril, when their own careers were in jeopardy and at a time when the Broadway musical was stuck in a rut. Together, they told stories of everyday people tackling a variety of social issues. Poignant lyrics set to transcendent melodies will translate into a special evening.

Tickets are \$10 and are available online at econnect.cityofmissionviejo.org by referencing course #2586 or by calling 949-470-8488.
