Dear Friend,

For 38 years, OC Human Relations has been honoring law enforcement, schools and community members for their contributions to human relations in Orange County. We invite you to nominate individuals or groups who have made extraordinary contributions to Orange County in the area of human or civil rights. For example, people who:

- Advocate for human and civil rights in the areas of health, education, immigration, labor, justice, housing, or employment.
- Foster mutual understanding and respect among county residents.
- Provide community dispute resolution or mediation services.

We are seeking nominations of people or groups who go above and beyond the call of duty to make significant contributions to their communities. We look forward to receiving your nominations and to seeing you at Awards 38 on May 7, 2009.

Sincerely,

Nadia Bettendorf,
Chair, OC Human Relations Commission
