Exciting Summer Adventures Await at the Bell Tower Regional Community Center

Fun and affordable - register for summer camps online

Rancho Santa Margarita, CA – This summer your child can “become” a pop star, explore the wonders of animation, conduct experiments in the Mad Scientists’ Laboratory or design jewelry. More than 50 summer camps are open for registration at the Bell Tower Regional Community Center.

The options are pretty exciting. There’s a camp for young Jedis, fairytale princesses, hip-hop dancers and aspiring Top Chefs. Children ages 18 months to 14 years will find all kinds of exciting ways to enjoy the summer.

Other new camps include Ninjaneering Masters with LEGO[®], Summer Learning Olympics, Cooking a Birthday Bash, Piano Singing & Music Camp and Creative Camp for Writing. Even older teens (8 to 17 years) can stay busy with the Sew Cool Summer Sewing Camp.

A complete list of all the summer camps is available at www.cityofrsm.org/classregistration. Information is also obtainable by calling 949.216.9700.

Don’t wait as camps fill up quickly!
