HYUNDAI HOPE ON WHEELS INAUGURAL 5K RACE & WALK BENEFITTING PEDIATRIC CANCER RESEARCH SEPTEMBER 5, 2011

HURRY! ONLINE REGISTRATION ENDS SATURDAY, SEPTEMBER 3!

Rancho Santa Margarita - The Rancho Santa Margarita Annual Healthy Community Expo and 5K Fun Run/Walk was for years a beloved staple in the community, attracting hundreds of racers, families and community members. Due to budget reasons, however, the race was eventually canceled in 2009.

But 2011 marks the year that the 5K is back – allowing the community to once again come together to run and walk, and this time to benefit pediatric cancer research.

Hyundai and its nonprofit organization, Hyundai Hope on Wheels, in sponsorship with the City of Rancho Santa Margarita, are bringing back the 5K along with a Celebration of Life Family Fun Day, complete with games and activities for the whole family. So if you were a long time participant of the RSM 5K or are in search of a low cost, fun family day, don't forget [to sign up](#) for the Hyundai Hope on Wheels 5K Race & Walk.

Register online at the website listed below by Saturday, September 3, 2011, 11:59 p.m. Walk-in registration will be available at the Bell Tower Regional Community Center on Sunday, September 4, 2011 from 9:00 a.m. to 2:00 p.m. You can also register on the day of the race, Monday, September 5, at 6:30 a.m.

"This wonderful event is being underwritten by the very generous support of Hyundai's Hope on Wheels program and will not impact the City of Rancho Santa Margarita's budget" stated Mayor Beall. "And the best part of this entire event is that all proceeds raised will be contributed by Hyundai to help eradicate childhood cancer."
