

**KEEPING OUR KIDS SAFE IN LADERA RANCH IS WHAT WE ALL WANT.**

A special forum on Stranger Danger is planned for both children and parents to address the recent incidents of attempted kidnappings in Ladera Ranch. This educational forum is a perfect venue for your children to hear first hand from Sheriff Sandra Hutchens about how to practice safety. Also on hand will be the Orange County Sheriff's Department to present specific steps we can take to ensure your kids' safety through role playing and other means.
