

# Full Nighttime Freeway Closures: Northbound and Southbound I-5 in South Orange County

Drivers should be alerted that nighttime partial and full lane closures on alternate sides of I-5 are being planned in South Orange County for several nights this month.

The nighttime closures on I-5 through San Juan Capistrano, Dana Point and San Clemente are anticipated to begin Monday, July 17, and continue for up to two weeks, excluding the weekend. The closures, between Camino Capistrano and Avenida Pico, will allow crews to remove existing, outdated overhead signs that span the freeway, and install new ones.

Lane closures are from 10 p.m. to 5 a.m. **Full freeway closures** are from 11:59 p.m. to 5 a.m. No closures are planned for Saturday, July 22, or Sunday, July 23.

*Please be advised: Dates and times are subject to change if there is inclement weather or there are unforeseen operational factors.*
