Mile Square Regional Park Sidewalk Repairs

OC Public Works will repair damaged sidewalks within Mile Square Regional Park in the City of Fountain Valley.

WHAT: OC Public Works will repair segments of damaged sidewalk at Mile Square Regional Park to improve walking conditions for park visitors. Sidewalk repairs include removing and replacing approximately 17,100 square feet of damaged sidewalk, grinding approximately 280 linear feet of uneven walkways, and spot repairs at various locations within the park.

The sidewalk repairs will be completed in segments to minimize the impact on park visitors during the construction period. All working areas will be secured at the end of each day for the duration of construction.

OC Public Works is dedicated to safety. All pedestrians and other park visitors are encouraged to adhere to directional signage and flag personnel during construction.

WHEN: **Anticipated Construction Duration:** January 8, 2018 — February 9, 2018

- Phase 1: January 8 — 12
- Phase 2: January 15 — 19
- Phase 3: January 22 — 26
- Phase 4: January 29 — February 9

Working Hours: Monday — Friday, 7 am — 4 pm

*The construction duration is tentative and subject to change due to weather and other factors.

WHERE: Sidewalk repairs will take place within Mile Square Regional Park boundaries. Mile Square Regional Park is located in the City of Fountain Valley. See the project map on the reverse side of this notification for construction locations and details.
