RE: North Tustin

Dear Mr. Campbell,

Your request has been acknowledged. The last line of "North Tustin" has been added to the Zip Code 92705 in the the postal database. This is to be used only for the unincorporated area you have enclosed with your request. Please keep in mind that postal customers within this area can use "North Tustin", however, they MUST still use 92705 as their Zip Code. Using 92705 will ensure prompt mail delivery.

I have contacted Joe Zapata, Postmaster of Santa Ana, regarding approval of this addition.

Thank you,
